

2026 Contribution Limits

With the new year comes new retirement contribution limits. Our team at HFS wanted to reach out at the start of the year to let you know the updated limits for 2026. There is no better time to look at your current plans and update based off the new limits. If you have any questions about your financial plan, our team is happy to answer!

These are the opinions of HFS Wealth Advisors and not necessarily those of Cambridge, are for information purposes only, and should not be construed or acted upon as individualized investment advice. Investing involves risk. Depending on the types of investments, there may be varying degrees of risk. Investors should be prepared to bear loss, including total loss of principal. The strategies discussed herein are not designed based on the individual needs of any one specific client or investor. In other words, it is not a customized strategy designed on the specific financial circumstances of the client. However, prior to opening an account, Cambridge will consult with you to determine if your financial objectives are appropriate for investing in the model. You are also provided the opportunity to place reasonable restrictions on the securities held in your account.
